

SkillsUSA - "April 24-26, 2024"

New York Leadership Conference & Skills Championships – Syracuse, NY

STUDENT SECURITY CORPS REGISTRATION

TO: SkillsUSA Club Advisor AND Criminal Justice Instructor

From: David N. Foldi –Chairperson – Student Security Corps

Judy Essig – Co-Chairperson – Student Security Corps

The Student Security Corps has been designed to give students enrolled in a Criminal Justice-related program an opportunity for real work experience at the SkillsUSA Leadership Conference & Skills Championships in Syracuse, NY.

For the Student Security Corps to be effective, students **MUST be enrolled in a Criminal Justice-related program**. Students who are not enrolled in such programs *will not* be able to participate in this assignment because of the specific security knowledge and skills required.

Special attention must be given to additional materials sent to you once the enclosed form is received.

If you do not receive this information by **4/12/24**; immediately contact me. Please ensure that the student(s) selected represent the highest degree of professionalism and training within your CJ program. ***Additional information will be available on the state SkillsUSA website at www.nysskillsusa.org/forms.htm and through your school's SkillsUSA Lead Advisor**

ALL students serving on this very important committee are to be in their SkillsUSA uniform, including a black tie for all assignments minus the red jacket. Ribbons and badges to identify them as "Student Security" will be distributed upon arrival and must be worn while "On Duty." Their responsibilities and post-assignments will be fully reviewed at orientation during our first meeting at the NYS Fairgrounds – Wednesday night.

NOTE: Ensure Security Students are **FIRST** to eat all meals so that they will have time for an **early meeting and should be transported by your school before the arrival of other students**.

A "Certificate of Achievement with 'Service Learning' hours" for each student will be presented at the conclusion of this event.

Please note and explain to the students that the assignment received is scheduled by the Chairperson(s) and reflects the needs of the SkillsUSA New York Leadership Conference and Skills Championships. Students will be required to **work during ALL SkillsUSA activities**. This includes the Dance. Please ensure that they fully understand this responsibility.

We need the attached form completed and returned to SkillsUSA AND Me by no later than March 31, 2024. This will allow planning packages to be completed, mailed, and reviewed with the student before the conference date. Names submitted must be identical to the students attending this conference.

"If forms are received after (March 31) students are not eligible to participate."

(Any changes must be approved by me or Judy Essig via email confirmation)

SkillsUSA “2024” – STUDENT SECURITY CORPS.

RETURN by March 31, 2024

REGISTRATION FORM
