Criminal Justice										
I. Explain concepts and applications of the major principles of federal laws i	elat	ed to	o cri	mina	al jus	stice	٠.			
Tasks Instructions:										
Each number to the right refers to a single student/candidate (1-10). Place a										
check (/) in the respective column for the appropriate student/candidate										
number (1-10) if the skills listed below are observed as stated. Leave blank if	1	2	3	4	5	6	7	8	9	10
not observed. Student/candidate will only get credit for the skills they have										
demonstrated.										
Identify major themes of constitutional law and criminal law										
Describe applicable laws of arrest										
Describe rules of evidence										
Explain and demonstrate knowledge of federal laws related to search and										
seizure										
Describe principles of juvenile law										
Explain surcharges and civil and criminal liabilities										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned										
Total possible points (8)										
	ı		ı	1	ı	1			I	
II. Demonstrate standard patrol procedures in a simulated situation.										
Tasks Instructions:										
	1	2	3	4	5	6	7	8	9	10
Describe commonly accepted procedures used for patrol										
	_	_	_	_	_	_		_	_	_

Plan patrol routes and practices										
Use protocols in communicating with dispatcher										
Describe safe operation of a police vehicle										
Direct and control traffic as needed										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned										
Total possible points (7)										
III. Investigate a traffic report and traffic accidents using standard procedur	es in	a gi	iven	situ	atio	า.				
Tasks Instructions:										
	1	2	3	4	5	6	7	8	9	10
	•	_	J							.0
Write a clear and concise report										
Use proper grammar, punctuation, and spelling										
Identify persons involved										
Provide a full description of the person(s) and vehicle(s) involved										
Obtain a statement from the victim										
Accurately describe an incident										
Conduct a records check of suspicious subjects										
Exhibit defensive techniques when encountering a suspicious subject										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned										
Total possible points (10)										
		ı		ı		1				
IV. Demonstrate the proper use of firearms and chemical agents used in law	w en	force	eme	nt si	tuati	ons				
Tasks Instructions:										

	1	2	3	4	5	6	7	8	9	10
Describe standard protocols that govern the use of firearms and chemical										
agents										
Identify components of common firearms and chemical agents										
Explain the use and effect of common firearms and chemical agents										
Show the use of a firearm in a simulated situation										
Show the use of a chemical agent in a simulated situation										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned										
Total possible points (7)										
		l l			Į.	Į.	Ц	Ц	Į.	
V. Demonstrate the knowledge and skills needed for emergency and crisis s	situa	tions	s en	coun	itere	d by	law	,		
enforcement officers.										
Tasks Instructions:										
	1	2	3	4	5	6	7	8	9	10
Uses crisis intervention techniques										
Apply basic elements of emergency response										
Demonstrate first aid procedures										
Demonstrate water safety and rescue procedures										
Explain first responder techniques										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned

safety at all times		2	3	4	5	6	7	8	9	10
Safety at all times  Obtain identification from a subject		2	3	4	5	6	7	8	9	10
Safety at all times  Obtain identification from a subject  Identify and describe probable cause prior to arrest		2	3	4	5	6	7	8	9	10
Safety at all times  Obtain identification from a subject  Identify and describe probable cause prior to arrest  Check for active warrants through dispatcher		2	3	4	5	6	7	8	9	10
Safety at all times  Obtain identification from a subject  Identify and describe probable cause prior to arrest  Check for active warrants through dispatcher  Place subject under arrest and notify subject of reason of arrest				4	5	6	7	8	9	10
Safety at all times  Obtain identification from a subject  Identify and describe probable cause prior to arrest  Check for active warrants through dispatcher  Place subject under arrest and notify subject of reason of arrest  Use safe handcuffing procedure to secure subject				4	5	6	7	8	9	10

Secure removed weapons										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned										
Total possible points (11)										
		•								
XI. Apply proper procedures for collecting clear and legible latent fingerprin	ts fr	om a	cri	ne s	cen	e.				
Tasks Instructions:										
	1	2	3	4	5	6	7	8	9	10
Explain the proper technique for collecting fingerprints										
Use proper technique to collect fingerprints										
Place collected latent fingerprints to card										
Check for legibility of collected prints										
Safety and infection control are adhered to during all aspects of this task.										
The student completed task within the time limited.										
Points earned										
Total possible points (6)										
Total possible points for all sections (B) 82										
Student/candidate score (divide A/B)
