

New York SkillsUSA Vendor Techspo

What is New York SkillsUSA?

SkillsUSA is a partnership of students, teachers and industry working together to ensure America has a skilled work force. Nearly 12 million lives positively affected since SkillsUSA's founding in 1965, and more are being added to that tally every day.

You can be part of TECHSPO . Be part of the future now. SkillsUSA's members become world-class workers, leaders and responsible American citizens.

What's a "TECHSPO"

It's a combination of the words technical and exposition. This particular show is New York's largest exposition of career and technical education. *New York SkillsUSA TECHSPO* reaches an audience of more than 2,500 students, teachers and school administrators from training programs in technical, skilled and service occupations Statewide. *New York SkillsUSA TECHSPO 2024* runs April 24-26, 2024 at the New York State Fair Grounds in Syracuse, NY.

More exposure than ever before!

All exhibits will be on the competition floor. Put your products in the hands of teachers and students who will share them with their peers in schools and colleges in 62 counties and NYC statewide. You will meet key decision-makers in career-and-technical and school-to-work education as well as leaders from business and industry.

Better Targeting of the Top Career and Technical Students

New York SkillsUSA TECHSPO is held in conjunction with the New York State SkillsUSA Championships. Select an exhibit location near a career cluster that's right for you, or choose a quiet zone.

Check out the indoor floor map for more detail. For a list of all the events that will take place, visit: www.nysskillsusa.org. then click the conference tab to see all the contest that will be run at this event.
